

# ECAB Donates to the Protection of Sea Turtles

The **Eastern Caribbean Amalgamated Bank** plays a role in this year's Earth Day which is celebrated on April 22 by its contribution of \$4000.00 to **AB Sea Turtles Awareness Inc.**

**AB Sea Turtles Awareness Inc.** is a local non-profit organization, dedicated to the protection and survival of sea turtles in Antigua & Barbuda.

The donation will go towards the organization's educational efforts which focus on the importance of sea turtle nesting habitats, the protected status of turtles in Antigua & Barbuda, and how individuals can help in the protection and conservation of sea turtles.

As part of ECAB's social responsibility programme, we are committed to fulfilling our role in safeguarding the environment and ensuring a sustainable future.

Learn more about AB Sea Turtles Awareness Inc. through their Facebook page.
